Enjoy a pre-concert prelude, showcasing the next generation of musicians, just prior to our next Sunday afternoon concert! Community Concerts at Second is pleased to present Baltimore School of Music string students in a Pre-Concert Student Showcase, taking place on Sunday, March 18th at 3pm. Join us to support these young musicians, and promote the development of future generations of fine arts performers and audiences!

The Baltimore School of Music was established in 2012 and has been based at Second Presbyterian Church since 2013. The school provides classical music lessons and classes to students of all ages and abilities. We are excited to partner with the Baltimore School of Music for this Pre-Concert Student Showcase, and we look forward to pursuing future collaborations.
